Basic Information

- Brand Name: ZKZB
- Model Number: ZK-01002

Product Specification

- Shims Included: Yes
- Warranty: 1 Year
- Oe Replacement: Yes
- Product Type: Brake Pad
- Installation Method: Clip-on
- Manufacturer: Herito
- Position: Front
- Easy To Install: Yes

Product Description

Product Description:

The Disc Brake Pad Set is a top-quality product designed to provide exceptional braking performance for your vehicle. These disc brake pads are considered some of the best ceramic brake pads available in the market, offering superior stopping power and durability. One of the key features of this product is its easy installation method. The Disc Brake Pad Set can be installed quickly and securely using the clip-on method, making it a convenient choice for both professional mechanics and DIY enthusiasts.

As an OE replacement product, these disc brake pads are designed to meet or exceed the specifications of your vehicle's original equipment. This ensures a perfect fit and compatibility, giving you peace of mind knowing that your brakes are performing at their best.

The package includes 1 set of disc brake pads, which consists of 4 pieces in total. This provides you with a complete set of brake pads for a standard vehicle, allowing you to replace all pads at once for optimal braking performance.

Measuring at 5 x 5 x 5 inches, the dimensions of these ceramic brake pads are ideal for a wide range of vehicle makes and models.

Whether you drive a compact car or a larger SUV, these pads are designed to fit perfectly and deliver consistent braking power.

Another important feature of the Disc Brake Pad Set is the inclusion of a wear sensor. This sensor is crucial for monitoring the condition of the brake pads and alerting you when it's time for replacement. By having a wear sensor included, you can ensure timely maintenance and avoid potential brake issues.

In conclusion, the Disc Brake Pad Set is a reliable and high-performance product that offers the best ceramic brake pads for your vehicle.

With its clip-on installation method, OE replacement compatibility, 1 set package quantity, ideal dimensions, and wear sensor inclusion, these disc brake pads are a smart choice for anyone looking to upgrade their braking system.

Features:

Product Name: Disc Brake Pad Set

Position: Front

Thickness: 0.5 Inches

Wear Sensor Included: Yes

Product Dimensions: 8.5 X 6.5 X 0.7 Inches

Heat Resistant: Yes

Technical Parameters:

Manufacturer	Herito
Warranty	1 Year
Placement On Vehicle	Front And Rear
Oe Replacement	Yes
Wear Sensor Included	Yes
Thickness	0.5 Inches
Installation Method	Clip-on
Heat Resistant	Yes
Position	Front
Shims Included	Yes

Applications:

ZKZB Disc Brake Pad Set (Model Number: ZK-01002) is a high-quality product originating from China. With a thickness of 0.5 inches and dimensions of 5 x 5 x 5 inches, this brake pad set is designed for optimal performance and durability.

These brake pads are made of the best brake pad material - ceramic, known for its excellent heat resistance and reliability. The ceramic material ensures smooth braking and reduces noise during operation, making it a top choice for many vehicle owners.

The ZKZB Disc Brake Pad Set is easy to install, making it convenient for both professional mechanics and DIY enthusiasts. The package includes 1 set of brake pads, with a total of 4 pieces included.

These good ceramic brake pads are suitable for a variety of application occasions and scenarios. Whether you are driving in city traffic, cruising on the highways, or navigating challenging terrains, these brake pads deliver consistent performance and braking efficiency.

For daily commuting vehicles, such as sedans, hatchbacks, and SUVs, the ZKZB Disc Brake Pad Set offers reliable stopping power and smooth braking experience. The heat-resistant ceramic material ensures stable performance even under heavy braking conditions or high temperatures.

Furthermore, for performance vehicles or sports cars that demand precision braking, these ceramic brake pads provide the necessary responsiveness and fade resistance for spirited driving experiences.

In conclusion, the ZKZB Disc Brake Pad Set is a top choice for drivers looking for good ceramic brake pads that offer superior performance, durability, and ease of installation. Upgrade your vehicle's braking system with these high-quality brake pads for a safer and more enjoyable driving experience.
