Basic Information

- Brand Name: ZKZB
- Model Number: ZK-01003

Product Specification

- Shims Included: Yes
- Product Code: DBPS
- Manufacturer Part Number: Herito-001
- Material: Ceramic
- Factory No: ZK-15001
- Part Number: Herito-001
- Slotted: Yes
- Hardware Included: Yes

Product Description

Product Description:

The Disc Brake Pad Set is a top-quality automotive replacement brake pad product designed to provide excellent performance and reliability for your vehicle. This set of OEM brake pads is a perfect choice for drivers looking for dependable braking power and durability. The Disc Brake Pad Set features a dimension of 8.5 X 5.5 X 0.7 inches, making it suitable for a wide range of vehicle models. Its part number Herito-001 ensures easy identification and compatibility with various automotive systems.

Made from high-quality ceramic material, these disc brake pads offer superior heat resistance and friction stability, ensuring consistent braking performance under various driving conditions. The ceramic construction also helps reduce noise and vibrations, providing a smooth and quiet driving experience.

Weighing 2.5 pounds, the Disc Brake Pad Set is lightweight yet durable, offering a perfect balance of strength and agility. Whether you are driving in city traffic or cruising on the highway, these brake pads deliver reliable stopping power and enhanced safety for you and your passengers.

When it comes to maintaining your vehicle's braking system, choosing the right disc brake pads is essential. The Disc Brake Pad Set is engineered to meet or exceed OEM standards, ensuring a precise fit and optimal performance. With these OEM brake pads, you can drive with confidence knowing that your vehicle's braking system is in good hands.

Upgrade your vehicle's braking performance with the Disc Brake Pad Set and experience the benefits of reliable and efficient braking power. Whether you are a daily commuter or a performance enthusiast, these disc brake pads are designed to deliver consistent performance and durability, making them an ideal choice for your automotive needs.

Features:

Product Name: Disc Brake Pad Set

Product Type: Automotive Replacement Brake Pads

OEM: 12510016

Hardware Included: Yes

Product Weight: 2.5 Pounds

Package Quantity: 1 Set

Features:

Ceramic brake pads

Best brake pad material

Good ceramic brake pads

Technical Parameters:

Part Number	Herito-001
Factory No	ZK-15001
Oem	12510016
Hardware Included	Yes
Product Code	DBPS
Package Quantity	1 Set
Warranty	1 Year
Material	Ceramic
Shims Included	Yes
Braking System	SUM

Applications:

ZKZB Disc Brake Pad Set (Model Number: ZK-01003) is a high-quality product designed for various application occasions and scenarios. Made in China, this OEM brake pad set (OEM: 12510016) is a reliable choice for vehicle owners looking for durable and efficient brake pads.

One of the key features of this brake pad set is its hardware included, making it convenient for installation and replacement. With dimensions of 8.5 x 5.5 x 0.7 inches, these brake pads are compatible with a wide range of vehicle models.

The slotted design of the ZKZB Disc Brake Pad Set ensures optimal performance and safety on the road. The brake pads are made from the best brake pad material, providing excellent stopping power and durability. This makes them suitable for both daily driving and performance vehicles.

Whether you are driving in city traffic, on the highway, or on challenging terrains, the ZKZB Disc Brake Pad Set offers reliable braking performance in various driving conditions. The 1-year warranty further ensures peace of mind for customers, guaranteeing the quality and performance of the product.

The ZKZB Disc Brake Pad Set is a must-have brake pad tool for vehicle maintenance and upgrades. Its high-quality construction and materials make it a cost-effective solution for replacing worn-out brake pads and improving overall braking performance.

Whether you are a DIY enthusiast or a professional mechanic, the ZKZB Disc Brake Pad Set provides a reliable and efficient solution for

brake pad replacement. Upgrade your vehicle's braking system with the ZKZB Disc Brake Pad Set and experience enhanced safety and performance on the road.
