Basic Information

- Brand Name: ZKZB
- Model Number: ZK-11011

Product Specification

- Product Dimensions: 5.5 X 5.5 X 3 Inches
- Dimensions: 5 X 5 X 5 Inches
- Manufacturer Part Number: DBP-001
- Easy To Install: Yes
- Oem: 58101-2DA30
- Package Contents: 4 Brake Pads
- Wear Sensor Included: No
- Shims Included: Yes

Product Description

Product Description:

The Disc Brake Pad Set is a top-quality product designed to provide exceptional braking performance for your vehicle. With dimensions of 5 X 5 X 5 inches, this brake pad set is suitable for a wide range of vehicle models and sizes.

Manufactured with precision and expertise, the Disc Brake Pad Set comes with the manufacturer part number DBP-001, ensuring compatibility and reliability. Whether you are a professional mechanic or a DIY enthusiast, this brake pad set is easy to install and offers a perfect fit for your vehicle.

The sleek black color of the ceramic brake pads not only adds a touch of style to your vehicle but also signifies the high-quality materials used in their construction. Ceramic brake pads are known for their superior performance, durability, and reliability, making them the best ceramic brake pads available in the market.

Equipped with the UPC code 123456789012, the Disc Brake Pad Set is easy to identify and track, providing you with convenience and peace of mind. Additionally, the OEM code 58101-2DA30 ensures that these brake pads meet the original equipment manufacturer's standards, guaranteeing optimal performance and safety.

When it comes to braking efficiency and effectiveness, investing in the best ceramic brake pads is crucial for the overall performance and safety of your vehicle. The Disc Brake Pad Set offers exceptional stopping power, reduced noise, and minimal dust accumulation, providing you with a smooth and quiet driving experience.

Whether you are driving in city traffic or cruising on the highway, the Disc Brake Pad Set delivers consistent and reliable braking performance, giving you the confidence to handle various driving conditions. Say goodbye to squeaky brakes and uneven wear, as these ceramic brake pads are designed to maintain their performance over time.

Upgrade your vehicle's braking system with the Disc Brake Pad Set and experience the difference that the best ceramic brake pads can make. With their superior quality, durability, and performance, these brake pads are a smart investment for any vehicle owner looking to enhance their driving experience.

Shims Included	Yes
Manufacturer Part Number	DBP-001
Color	Black
Upc	123456789012
Wear Sensor Included	No
Easy To Install	Yes
Position	Front And Rear
Dimensions	5 X 5 X 5 Inches

Applications:

ZKZB Disc Brake Pad Set ZK-11011 is a high-quality product designed for various product application occasions and scenarios. Made in China, this brake pad set is known for its durability, reliability, and superior performance.

One of the key features of this product is its ease of installation. With its user-friendly design, it is easy to install this brake pad set without the need for any specialized brake pad tool. This makes it a convenient choice for DIY enthusiasts and professional mechanics alike.

Additionally, the ZKZB Disc Brake Pad Set ZK-11011 comes with chamfered edges, which helps to reduce noise and vibrations during braking. This feature ensures a smooth and quiet operation, enhancing the overall driving experience.

Whether you are looking to replace the front or rear brake pads, this set is suitable for both positions. The versatility of this product makes it ideal for a wide range of vehicles, providing consistent performance and safety.

Furthermore, the ZKZB Disc Brake Pad Set ZK-11011 includes shims, which are essential for proper installation and alignment. These shims help prevent noise and vibrations, ensuring a quiet and stable braking system.

With a sleek black color, this brake pad set not only offers great functionality but also adds a touch of style to your vehicle. The color complements a wide range of wheel designs and enhances the overall appearance of your car.

In conclusion, the ZKZB Disc Brake Pad Set ZK-11011 is a versatile and reliable product that is suitable for various application occasions and scenarios. Whether you are using ceramic brake pads or looking for a high-quality replacement, this brake pad set is a great choice for ensuring safety, performance, and convenience.
