Product Specification

- Wear Sensor Included: No
- Package Contents: 4 Brake Pads
- Guarantee Peroid: 30000-50000km
- Chamfered: Yes
- Color: Black
- Product Type: Brake Pad
- Upc: 123456789012
- Product Dimensions: 5.5 X 5.5 X 3 Inches

Product Description

Product Description:

The Disc Brake Pad Set is a high-quality product designed to deliver exceptional performance and durability for your vehicle. With a guarantee period ranging from 30,000 to 50,000km, these brake pads are built to last and provide reliable stopping power for an extended period of time.

Each package of the Disc Brake Pad Set includes a total of 4 brake pads, ensuring that you have all the necessary components to replace the brakes on both the front and rear wheels of your vehicle. This comprehensive package makes it convenient and cost-effective to upgrade your braking system.

Enhanced with a sleek black color, the Disc Brake Pad Set not only offers superior functionality but also adds a stylish touch to your vehicle's appearance. The black finish complements a wide range of vehicle designs, making these brake pads a versatile and attractive choice for any car owner.

With an OEM number of 58101-2DA30, the Disc Brake Pad Set is manufactured to meet the highest standards of quality and compatibility. This OEM designation ensures that the brake pads are specifically designed to fit your vehicle model, guaranteeing a perfect and secure installation process.

The Disc Brake Pad Set is suitable for both the front and rear positions of your vehicle, providing comprehensive brake pad coverage for optimal performance. Whether you need to replace the front brake pads, rear brake pads, or both, this set offers a versatile solution to meet your braking needs.

When it comes to choosing the best brake pad material, ceramic brake pads are widely recognized as one of the top options available on the market. Ceramic brake pads offer superior performance in terms of braking power, durability, and noise reduction. They are known for their excellent heat dissipation properties, which help prevent brake fade and ensure consistent braking performance under various conditions.

The Disc Brake Pad Set features ceramic brake pads, making it an excellent choice for drivers who prioritize safety, reliability, and performance. These ceramic brake pads are engineered to deliver smooth and consistent braking performance, offering a responsive and controlled stopping experience that enhances overall driving confidence.

In conclusion, the Disc Brake Pad Set is a top-quality product that combines durability, performance, and style in one convenient package. With a guarantee period of 30,000 to 50,000km, 4 brake pads in each package, black color design, OEM number 58101-2DA30, and compatibility with front and rear positions, these ceramic brake pads are the ideal choice for car owners seeking the best brake pad material for their vehicles.
